### Term Insurance For The Ages

**\*Do you have senior clients who have a need for insurance but not the stomach for the cost of a permanent insurance option? Term insurance may be a viable alternative for a portion of that need.**

**Now you can sell term insurance at ages never seen before. How about these issue ages:**

- Level 10 Term- Issued up to age 80 (Smoker or Non-Smoker)
- Level 15 Term- Issued up to age 78 (Smoker to age 75)
- Level 20 Term- Issued up to age 70 (Smoker to age 65)
- Level 25 Term- Issued up to age 65 (Smoker to age 60)
- Level 30 Term- Issued up to age 58 (Smoker to age 53)

This means you can sell level term premiums to your clients that are payable through age 93. In today's market this is a great alternative.

**Every Case Counts! Every Broker Matters!**
